ICEMPE 2019 Registration Guide for International Participants

Step 1: Log in to your personal account and choose different registration options based on the participant category (international/domestic, student/non-student).

Welcome message

It's our great pleasure to invite you to join us for the 2nd IEEE International Conference on Electrical Materials and Power Equipment (ICEMPE 2019), which will provide a forum within the international academic and engineering community in the field of electrical materials and power equipment.

ICEMPE 2019 will be held in Guangzhou, China on April 7th-10th, 2019. It is co-sponsored by the Engineering Dielectrics Committee of China Electrotechnical Society (CES) and the IEEE Dielectrics and Electrical Insulation Society (DEIS), and it will be organized and technically supported by South China University of Technology. ICEMPE is an extension of National Conference on Engineering Dielectrics (NCED) in China, which was founded in 1983 as a biennial forum and has already been successfully conducted for 16 sessions. In 2017, the 1st International Conference on the ICEMPE has been successfully held in Xi'an.
